BLACK-DRAUGHT STOCK and POULTRY MEDICINE

Stock and poultry have few troubles which are not bowel and liver irregularities. Black-Draught Stock and Poultry Medicine is a bowel and liver remedy for stock. It puts the organs of digestion in a perfect condition. Prominent American breeders and farmers keep their herds and flocks healthy by giving them an occasional dose of Black-Draught Stock and Poultry Medicine in their food. Any stock raiser may buy a 25-cent half-pound air-tight can of this medicine from his dealer and keep his stock in vigorous health for weeks. Dealers generally keep Black-Draught Stock and Poultry Medicine. If yours does not, send 25 cents for a sample can to the manufacturers, The Chattanooga Medicine Co., Chattanooga, Tenn.

ROCHELLE, Ga., Jan. 30, 1902.

Black-Draught Stock and Poultry Medicine is the best I ever tried. Our stock was looking bad when you sent me the medicine and now they are getting so fine. They are looking 20 per cent better.

KINGSVILLE.

Miss Lucile Davidson, of Danville, was with friends here last week.

Dr. Warren is teaching a very satisfactory school here. He is being assisted by Miss Birdie Gooch.

The Christian church has a pastor—Rev. Powell, of Lexington, and he is a good preacher and very popular here.

Judge Bailey and W. S. Burch, both candidates for the nomination of the respective offices, county judge and county attorney, were here Saturday.

Mrs. Della Maher and children, of Ludlow, are visiting relatives here.

Misses Eva and Sallie Leach, of Lexington, have returned home after a protracted visit with relatives here.

Messrs. Henry Hester and wife and William Hester and wife and baby, of Stanford, are visiting Dan Hester and wife here.

Mrs. E. W. Creighton and baby will leave Saturday for Verona and other points in Northern Kentucky, where they will visit relatives.

Miss Virginia Johnson will return to her school at Verona. Miss Margaret Routen will return to Lexington Sunday and resume her position with Mitchell, Cassell & Baker.

Lexington has assumed a lively appearance now that the colleges and universities are opening up for the Fall and Winter sessions and the opera season has opened with the popular price shows. Prof. W. R. Smith's ever popular business college is to have a larger attendance than ever this Fall. He has a large number of students enrolled from all parts of the country. A great many improvements are being made on the interior of the building and it will be nicely equipped and ready for the increased attendance. During our stay there we became greatly attached to the Commercial College of Kentucky University. It is a grand old place and one feels better for having been there and far better able to cope with the business world. They have excellent and painstaking teachers and failure must be the fault of the pupil alone in want of application.

"Success," however, is more popular there and in our own case at least, we are inclined to give the teachers all the credit for the success of the pupil.

HUBBLE.

L. G. Hubble and S. Dunbar sold some stock hogs at 40c.

Water is scarcer in this community than it has been for many years.

Eld. F. M. Tindler will fill his appointment at the Christian church Sunday afternoon.

Several crops of wheat in this community have been bought in the last few days by Jas. McKechnie at \$1.10.

Mrs. Eliza Harris is with relatives in Stanford. Miss Ethel Carman has entered the Conservatory of Music at Lexington.

Billy Jim Spoonamore's friends and relatives are receiving invitations to his wedding which is to take place in Indiana, where he lives.

Eld. P. J. Ross' return to his former charge assures his people the opportunity of hearing the plain and pure gospel for the coming term, as Bro. Ross believes in contending for truth and right under all circumstances.

Miss Fionnie Hammond left Monday to enter Hamilton College. Mrs. Jess Lynn, of Stanford, was the guest of her brother, Geo. Wood, last week. Jack Spoonamore and Bona McKechnie are in Wayne county. Frank Miller, of Mt. Vernon, is with his parents here.

Mrs. Woolfork Givens, of Middlesboro, is with B. W. Givens for a few days on her way from the World's Fair.

Pain and discomfort after eating, dizziness, specks before the eyes, gas and fermentation, in fact, all forms of indigestion are quickly relieved and permanently cured by Mi-o-na. It increases the vitality, soothes and heals any internal inflammation and gives tone and strength to the whole system.

Sing Along The Way.

When the daylight closes
Darkness dreams of day;
Rain won't drown the roses;
Sing along the way!

Just a little sorrow
Makes a joy thrice sweet;
Yonder comes To-morrow
Dancing—tinkling feet!

Just one golden minute
Makes up for sad years;
Life has more things in it
Than a rain of tears!

No. 75, 150,000 acres of cotton land in Mississippi. There is no section of country which offers so many opportunities for profitable investment as the Mississippi Delta which is now fully described as "Prosperity Valley." The timber is becoming more valuable all the time for the reason that lumber prices from the North (where the supply of timber is fast diminishing) are constantly increasing their purchases of timber lands in the South. When the timber is removed the land is unsuited for agricultural purposes. It will produce a bale of cotton to the acre or will grow any other kind of crop raised in the temperate zone. The soil needs no fertilizers and gives a yield which cannot be excelled; taxes are low, the title is perfect and the man who buys Delta farm and timber lands at present prices is making an investment that he will never regret. This land is divided into tracts ranging from 40 acres to the tract to 17,000 acres to the tract and prices from \$5 per acre to \$15 per acre, according to location, etc. We are authorized by the company who owns these lands to state that as other parties are considering the purchase of these lands that we offer these tracts subject to prior sale, withdrawal from market or change in price without notice. However, when notified, they will hold any tract out of market long enough for the purchaser to make an investigation. About 12,000 acres of this land has been sold by the Company since we received this option. For further particulars call at our office.
